Five Age-Based Programs

The supplies in this catalog provide the framework for the programs of cadeting. Counselors will find that the more closely they follow the recommended structure, the more smoothly their program will operate. However, feel free to adapt these supplies to your particular club situation.

Our Mission

To help boys grow more Christlike in all areas of life.

Kingdom Kids Ages 4-5

This is a co-ed curriculum which helps lay the foundational blocks of faith in young children. Each lesson uses a learning center approach to help children know God better and learn how to behave in ways that please Him. The children will also learn more about Jesus and discover that they want to be more like Him.

Junior Cadets Grades 1-3

There is a lot of enthusiasm on the part of young boys to begin their journey through the Cadet programs. They've heard their older brothers or older boys in the community talk about the campouts, crafts, Bible lessons, merit badges, and service projects, and they are READY! Junior Cadets taps this enthusiasm with a "hit the ground running" type of program. The materials are comprehensive but concise. They are designed to effectively channel the energy of the boys.

Guide Trails Grades 7-9

The Guide Trails program is for boys in grades 7-9. This is a tough age for a boy. He's somewhere between being a kid and being a man. Christian adult male role models are critical at this age and this program is a great place for boys to find them. Using the same type of outdoor adventure and project activities as the R•P•B program, but with a more in-depth approach, the Guide Trails program seeks to develop the character and spiritual depth that is needed to prepare boys for being young adults.

Recruit•Pathfinder•Builder Grades 4-6

This program is the heart of the Cadet organization. Boys and their counselors work side by side on Bible lessons, Christian service projects, outdoor activities (camping, cycling, hiking, canoeing and much more), and work on merit badge projects — selecting from a wide range of interests and skills. More than 130 merit badges are offered in this program. The counselor challenges, guides, encourages, listens and counsels the boys as an expression of God's love.

Voyageurs Grades 9-11

Only available online, this program is built by an experienced counselor who wants to share a particular area of interest with the boys. A typical club will meet on a weeknight at the counselor's home or shop. The group will spend some time in Bible study and, of course, the project. It is not unusual for the project to be a year-long endeavor. You won't find information about Voyageurs beyond this page in this catalog, but contact the Corps office if you'd like assistance in designing your own Voyageurs program.

Kingdom Kids

ages 4-5

Kingdom Kids Year One

#3800/\$69.00

Consists of 25 lessons in a three-ring binder. This includes counselor helps, reproducible pages for the children and a CD with corresponding music. A digital download for the music is available for listening to the songs from another device. Each lesson includes learning station instructions, puppet introduction, story, game and craft suggestions. The reproducible sheets correspond with the sticker packets on the following page. The topics are divided into four main themes:

- God and how we can know Him
- Jesus and what He teaches us
- The Holy Spirit and how He helps us
- Holidays: Thanksgiving, Christmas, Valentine's Day, and Easter

Kingdom Kids Year Two

#3805/\$69.00

Includes counselor helps and reproducible pages for the 25 lessons in this three-ring binder as well as a CD with corresponding music. A digital download for the music is available for listening to the songs from another device. Each lesson includes step-by-step instructions for several learning centers, the stories, as well as reproducible student sticker pages. While this curriculum builds on the principles from the Kingdom Kids Year One curriculum, a child does not have to complete Year One before participating in this curriculum. The topics are divided into four main themes:

- Knowing I am God's child
- Jesus is a Person; I can be like Him
- Jesus loves me
- What Jesus means to me

Kingdom Kids

ages 4-5

Year One Sticker Pack

#3801/\$7.75

A set of stickers that includes a strip of six for each lesson in Kingdom Kids Year One. The children attach these stickers to a paper that leaders may reproduce from the curriculum (space to place stickers is shown on each sheet). This helps reinforce the lesson, and helps the child retell the story. One pack is needed per child.

Scruffy The Dog Puppet

#3803/\$80.00

An integral part of each lesson in Kingdom Kids Year One. He is used to keep the children's attention as he helps the leader share the main points of the lesson. He has a heart pouch which holds each lesson's memory verse. As the children discover the verse that Scruffy has in his heart, they learn that it's important to keep God's Word hidden in their hearts too. Scruffy is 21" (53 cm) long, and 12" (30 cm) tall.

Year Two Sticker Pack

#3806/\$7.75

Each child in Kingdom Kids Year Two needs one of these sticker packs — a set that includes a strip of five stickers for each lesson in this set. As in Kingdom Kids Year One, the children attach these stickers to a paper reproduced by the leaders.

Grampy Gramps Puppet

#3807/\$69.00

An adorable and wise grandfatherly bear puppet used in each lesson in Kingdom Kids Year Two to help lead the children into a better understanding of the lesson being taught. Grampy Gramps has a heart pouch that the children will love to reach into for the lessons' memory verses. Grampy Gramps is 23" (58 cm) long, and comes with his own reading glasses.
